

Rules for poster presentation

Set up: Posters may be placed after 08:00 on each day of session, and must be ready by 09:30. Each poster has been given a letter and a number. Posters with code W must be displayed on Wednesday 27 October (i.e.- W-30), posters with code T must be displayed on Thursday 28 October and posters with code F must be displayed on Friday 29 October. For each day, posters must be located on the board that has the reference number of your poster (i.e.-30).

Removal: Posters must be removed at the end of last session each day. Posters remaining in the boards after 19.00 h will be removed by the organisation. No responsibility for loss or damage.

Fixation: Posters will be fixed to the boards with double-sided adhesive tape that will be available at the registration secretariat.

Design: It is recommended to have simple and clear messages with an introduction at the top and conclusions on the bottom. Remember to place the title, authors and address at the top of the poster. Figures and tables must be viewed from a 1 m distance.
